

On-line Workshops

**For educators and health professionals:
Increase your comfort, knowledge and skills in teaching
human sexuality education.**

Workshop 1 - Preparing Yourself

Focuses on values clarification, educational theories, the importance of comprehensive sexuality education, learning outcomes and instructional methods.

March 10 – 30, 2008

Workshop 2 - Preparing Students and Parents

Focuses on creating a safe classroom environment, how to answer students questions, teacher FAQ, how to inform and support parents and access resources.

April 7 - 27, 2008.

Each workshop of the two part series consists of three modules that each take approximately one hour to complete.

- \$65 per workshop or \$125 for both workshops (non-members).
- Alberta Society for the Promotion of Sexual Health (ASPSH) members- \$30 per level or \$50 for both. Membership is \$30/year or \$75 for organizations with access for up to 10 staff.
