*Continuing competency credits
available for CARNA.*

The HPA mandates that each health care professional must develop and implement an individual learning plan. This education day provides an excellent method of incorporating education into your learning plan.

PARKING:

Due to major construction taking place in the area, parking may be limited; carpooling or public transportation is recommended. Staff lots should be left for those who are working shifts that day. Your cooperation is appreciated!

**Stollery Children's Hospital
presents:**

C.R.A.S.H.

Critical Risk And Safe Habits
