

Growing Opportunities

Job Description

Nutritionist

(0.20 FTE, non union position)

We are a Canada Prenatal Nutrition Program (CPNP) that requires a Nutritionist to be flexible in scheduling, in order to facilitate the team approach that Growing Opportunities (GO) subscribes to and to accomplish the wide variety of tasks such as, but not limited to:

- Provide one-on-one in home counseling to the client, including initial and follow-up assessment
- Provide one-on-one counseling on maternal and child nutrition
- Teach clients about available resources, how to access them and proper follow through
- Assist clients in examining alternative ways of problem solving and decision making relative to their nutrition issues, in order to make quality lifestyle changes
- Provide an opportunity for clients to talk about their nutritional difficulties during pregnancy and upon arrival of baby
- Provide ongoing program development by initiating community contacts
- Liaison with professional and community agencies as appropriate
- Liaison with GO Nurse and Support Worker relative to case management
